Annual club membership and consent form for players and their parents/carers 2010/11

- This form needs to be completed prior to the player taking part in any team activity and needs to be re-done each season. It is important that the form is filled out as fully as possible, failure to tell us things could mean that the safety and welfare of the player is compromised and the club cannot be held responsible if information has not been shared.
- By the signing of this form, the player and their parents/carers (if applicable) will be considered for membership of the club and agree to conform to the Club Rules/Code of Conduct, Rules and Regulations of the Football Association and County Football Association. Sanctions will be applied in line with Rule 6 (b), if Rules/Codes are broken. The rules are available on www.southsidefc.co.uk or from the Team Manager.
- Application for membership of the club, where the individual is not a player or parent/carer of a player, should be made using the 'Annual club membership for individuals who are not players or not parents/carers of players aged under 18 2010/11'.
